Dear Applicant Parents,

I wish to inform and update you about the admission process for Class LKG for the academic year 2026-2027:

1. Selection Process:

- Selection for the admission will be based on a draw of lots system under the strict supervision of a designated committee.
- While there was a parent and student meet with applicant parents and their children, this session was purely introductory and will not influence the selection process.
- Selection Process will be completed by 20th October 2026.

2. Equal Opportunity for All:

- All eligible applicants will be treated equally.

3. No Recommendations or Donations:

- Parents are cautioned not to fall prey to anyone claiming to secure their admission in exchange for donations or recommendations.

4. No Pressure Tactics:

- Applications of those parent applicants who attempt to use undue influence, pressure or recommendations will be cancelled immediately.

I request your cooperation in maintaining a transparent and fair admission process. Thank you for your understanding and support.
